THE UNION PACIFIC JOINS THE EMI-GRANT CLEARING HOUSE.

Western Passenger Association Will Allow It One-Third of the Through California Business.

The Union Pacific will become a member of the Western Passenger Association emigrant clearing house on June 1, and the west-bound emigrant rates between Chicago and the Pacific coast will be restored from their present rate of \$16.10 to their old basis of \$35 on June 3. Notice of the intended advance was yesterday given the Interstate-commerce Commission by Chairman Caldwell. The Union Pacific comes in on the basis of 331-3 per cent. of the through California business. The question of east-bound traffic will come up for discussion at Chicago to-day, as will the matter of granting excursion rates during the

The Wisconsin Central has given the association something to think about by putting in rates of 2 cents per mile on all parties of ten or over. The association lines will without question follow the Wisconsin Central.

Liquid Fuel for Locomotives. An official of the Pennsylvania expresses himself as much in favor of the use of oil as fuel for locomotives. He says the use of petroleum as a fuel is no longer an experiment; under stationary boilers it has proven a decided success, both as to convenience and economy; that the same substitution may be made in the case of locomotives with the same economy has been proven, and there is the advantage of easier, firing and the maintenance of uniform steam pressure. "The method which is now in use on many of the railways of Russia consists in converting the oil into a spray by means of steam or compressed air, and this, with some modifications, has been the whether for stationary boilers or locomo-tives, have been constructed. It is also true that petroleum fuel has been used for several years with good success on the Buenos Ayres & Rosario railway in South Following the experiments of liquid full on Russian railways the Pennsylinstituted a series of experiments devoted to ascertaining whether oil could be cessfully used as fuel under American locomotive conditions. Thes? experiments proved satisfactory as far as the mechanical fea-tures were concerned, but further than this step the rallways of this country seem to have made no progress. A few coal famines will do more than anything else to agitate the question of the use of oil as fuel in locomotives. Petroleum fuel would not only do away with smoke, but in the time

M., K. & T. Opens the Fight. In commenting on the controversy that has been going on between the Missouri, Kansas & Texas on the one hand and the other Texas lines on the other, James Barker, general passenger agent, says the M., K. & T. takes the position that Texas should not be discriminated against. The arently sought to delay action until it was too late, and he says he solved the problem by issuing the following notice: "On June 12 this company will sell tickets from St. Louis, Kansas City, Hannibal and Junction City to all points on the M. K. & T. system in Texas at one-half the regular rate, plus \$1. Tickets will bear a transit limit of five days and permit stopover in the State of Texas within that limit. I am advised by the general pas-senger and ticket agent of the M., K. & T. Texas that on June 22 the M., K. & T. Texas will name a similar rate of onehalf the regular rate, plus \$1, from all points in Texas to the above named gateways, the tickets to bear the same transit limit and permit the same stopover in the State of Texas."

of a coal famine, such as this country is suffering from at this time, the question of

scarcity of fuel would not concern the rail-

way operators."

Personal, Local and General Notes. C. J. Fellows, formerly car superintendent of the Big Four, is in the city. The Chicago & Eastern Illinois is having plans prepared for new and large shops. H. C. Parker was called yesterday to Norwalk, O., by the serious illness of his A lodge of the American Rallway Union,

numbering fifty-three, has been organized at Michigan City. J. G. Lorton has been appointed super-ntendent of telegraph of the Findlay, Fort

F. G. Darlington, superintendent of the Indianapolis division of the Pennsylvania lines, has gone to Pittsburg. C. V. McClure, formerly contracting agent of the Big Four, has been appointed agent of the West Shore road at St. Louis.

F. A. King has been appointed agent of the Vandalia at Hibbard, Ind., and W. L. Smith agent at the Union Depot at De-J. A. Barnard, general manager of the Peoria & Eastern, goes to New York to-morrow to see President Ingalis and wife

off for Europe. On the 1st of June the Adams Express company will commence to operate over the Louisville, St. Louis & Texas, displacing the United States express.

P. M. Seymour, late contract agent of the Columbus, Shawnee & Hocking, has been appointed commercial agent of the Chicago Great Western at St. Paul. S. S. McKinney, a carpenter living at Lo-

gansport, has invented an automatic device for coupling cars, air brakes and steam pipes which it is said has real merit. Supt. Powell Orders Slot Machines Taken Out of Stores. Herbert Scobie, department clerk in the ffice of J. Q. Van Winkle, general superendent of the Big Four, left for New York yesterday to take a position with the Standard Oil Company. Local merchants and manufacturers are

now, pushing shipments to Missouri river dints, as on next Tuesday rates will be estored, which will considerably increase freight rates to such points. Trains of the Chicago & Southeastern are

again running smoothly. General Manager Crawford appeared before the treasurer at Anderson and paid the taxes for which the rolling stock of the road was seized. The Chicago, Burlington & Quincy has over three thousand men at work on its extension which is to connect with the Northern Pacific in Montana. It is expect-ed the line will be completed by Oct. 15. Commissioner Goddard, of the Trunk Line Association, denies the statement that all the roads in the Trunk Line Associa-tion had signed the \$10,000 penalty clause in the new agreement. A draft has been submitted to them, but no signatures have been affixed, although there was a unantnous disposition to sign it. He says pend-

### Women Must Sleep.

If they only could sleep eight hours every night and one hour every day -

Their freshness and beauty would continue to the end. Years would be added to their lives. All derangements of the

uterus or womb, ovarian or kidney troubles, uterus tumors, spinal weakness, irregularity, indigestion, exhaustion, or displacement," drives the nerves wild with excitement, and

sleep is impossible. Lydia E. Pinkham's Vegetable Compound is the one sure remedy. It has saved thousands, and will save you. It strengthens the womb, removes all pain, and you sleep

like a child. For kidney troubles in either sex it is unequalled. Pure, harmless, and sure.

END OF ONE TROUBLE ing action by the Western lines on the subject, the matter will not be definitely settled in the East.

Under the reorganization scheme the annual fixed charges of the Richmond & Danville lines, or Scuthern railway, will be \$4,100,000. The net earnings of the road for the year ending June 30, 1893, were \$4,726. The Wabash Rallway Company is some-what disturbed as to where it will get its supply of coal for fuel for its locomotives. The coal mines at Stanwood, Mo.,

where it gets its principal supply, have Sunday the conductors on the Big Four express trains will run through between Cincinnati and Chicago. Seven crews are assigned to the two daily runs each way. Erakemen and baggagemasters will also run through.

Over one thousand bridge carpenters and track repairers were taken off of the Pennsylvania fines west of Pittsburg to aid in making repairs to the road between Pittsburg and Altoona, where the recent washouts occurred

Another order has been issued by the Pennsylvania Company's general manager to reduce expenses on the lines west of Pittsburg. It is said the working force of nearly every department will be subjected The new time schedule of the Cincinnati, Hamilton & Dayton will take effect Sunday. The morning 6:50 train will be dis-

continued, and the trains will leave Indianapolis as follows: 4 a. m., 10:50 a. m. 2:55 p. m., 4 p. m. and 6:15 p. m. The Pennsylvania Company is making a new departure in the putting on of Sunday trains, something of an excursion character. On May 27 on several divisions Sunday train service of a local character will be inaugurated where Sunday trains have never before been run.

The Lake Erie & Western is auuouncing at points on its lines that it will begin a series of Niagara Falls excursions on Thursday, Aug. 2, with the usual low fare. Doubtless the other roads will run Niagara Falls excursions, although it had been un-derstood that none would be run this year. It is stated that the Louisville, Evans-ville & St. Louis is about as valuable a feeder to the Chesapeake & Ohio as is the Rig Four for business via Newport News. The L. E. & St. L. turns over to the Chesapeake & Ohio connection at Louis-ville eighty to one hundred carloads of

The Big Four has taken off all its construction trains, stopped its steam shovels and will do no more in that line until the miners' strike is over. The company has coal enough to keep up its regular train service until July 1, but takes the above precautionary measure to reduce the coal

The passenger department of the Toledo, St. Louis & Kansas City has secured the transportation of the Society of Christian Endeavor from St. Louis to Toledo on its to the annual meeting of the society which has created quite a stir among competing lines that have looked upon the T St. L. & K. C. as only a freight line.

Sunday next the Vanderbilt and the Pennsylvania lines will put on their twen-ty-four hour trains between New York and hicago. The New York Central and the Lake Shore have sixty-three miles further to run than the Pennsylvania. The former will put on a new train for this service, while the Pennsylvania simply shortens the running time of its limited.

The keen competition among themselves is one of the peculiarities of the Vanderbilt lines. This often leads them into as hot quarrels as any other competing lines. Just now there is a disagreement between the Nickel-plate and the Lake Shore on passenger differentials between Buffalo and hicago, and General Passenger Agents hesborough, of the Vandalia, Hall, of the Wheeling & Lake Erie, and De Haven, of the Chicago & West Michigan, have been selected as arbitrators to settle the dis-

George M. Pullman, president of the Pullman company, is in Boston to attend the annual meeting of the Boston & Maine, in which he is a large stockholder. In speaking of the strike at Pullman, he said to a reporter of a Boston paper: "All the employes at Pullman have understood perfectly well that we have been losing money for the last six months to keep them at work, and they did not want to strike, but they were ordered out by the union and went out, and now it will be money in our pockets to close down and await better times."

Samuel Thomas, president of the Louis-ville, New Albany & Chicago, who has just completed an inspection of the property, telegraphs east as follows: "I have com-pleted an inspection of the Monon. I am delighted to find the property in such excellent condition. We shall have no extraordinary expenditures to make this year. Our stone traffic exceeds that of the corresponding month last year, the country looks in excellent condition, and agricultural interests were never more advanced and promising, and our local business begins to show signs of improvement."

System characterizes every department of operation on the Pennsylvania system. The Richmond Palladium gives a case to the point. "Going to Indianapolis the other day one of the passengers was a well-known Richmond business man. In passing from the smoker to the ladies' car the door slammed from the motion of the train, catching one of his fingers. He howled with pain a moment, and then tied his handkerchief around the injured member and sat down. He had only been in his seat a few moments when the conductor came along with a blank and carefully noted down all about the accident, how it occurred, how bad he was hurt, his name and address and all. The business man came home, and had nearly forgotten all about the matter, when, yester-day the claim agent of the company called, asked all about the affair, what he felt his damages were, and wanted to pay him what he thought would be right. The business man didn't claim anything, his injuries were so insignificant, but his eyes were opened to a new line of railroad business."

### ONE DAY FOR REMOVAL.

Taken Out of Stores.

Superintendent Powell last night at roll call instructed his men to order those who have in their possession slot machines used for gambling purposes to remove them at once from their places of business. Probably a day will be given for the machines to be removed and after that, if any machines are found, the proprieter of the place in which they are found will be arrested. Some time ago the superintenient told his men to get the number of slot machines in their respective districts and yesterday reports were handed in by all the officers. Their reports showed that there are 260 slot machines in the city, of which the majority are penny cigar ma-

Attacked a Watchman. Last night, about 10 o'clock, watchman William Henderson, at Coburn & Jones's lumber yard, at Kentucky avenue and Georgia street, discovered two colored men acting in a very suspicious manner. He asked them their business. He was answered in mumbled tones, and one of the cetroes drew an ugly-looking buif: and ma'e a dash at Henderson. Henderson dodged the man and drew a revolver and threatened to shoot if the negro and his companion did not leave the premises at onc. scowling faces the mea sl.wl; made their exit, murmuring words of vengea ca

Mrs. Sarah Wetzel's Claim. Some time ago it was stated that Mrs. Sarah Wetzel was bound over to the grand jury under a \$500 bond from Police Court. on a charge of stealing the contents of trunk left at her house by a friend. Mrs. Wetzel stated, however, that the case against her was dismissed in Police Court mmediately after the charge was made. She stated that the trunks in question were left for safe keeping by her at the house of a woman to whom she sold her boarding house. She stated that the trunks had not been broken open when she last had charge of them.

Robert Sunpp Arrested. On May 13 Robert Snapp went to the home of his employer, Samuel Owens, No. 535 Yandes street, and, without a word of warning, frightfully beat him in the presence of several other of Owens's em loyes. Mrs. Owens attempted to in erfere, but Snapp struck her several vicious blows, kn cking her down. He escaped before the emploses could recover from the surprise and i terpose. Snapp kept his whereabouts secret until yesterday, when he was arrested by

Morgan and Jay Countles Settle. Morgan county paid in \$17,604.23 to the State treasury yesterday, and retained \$8,-433.16: Jay county paid in \$21,636.47 and retained \$10,705.13.

Home Missionary Officers. The concluding meetings of the Woman's Home Missignary Society of the M. E. Church were held in Hall-place Church best attention, and at reasonable prices.

yesterday. At the morning session Mrs. Sperry, the secretary of local work, and Mrs. A. V. P. Adams, corresponding secretary, made very encouraging reports. Mrs. Dr. Gatch, of Lawrenceburg, read a practical paper on "God's Art of Raising Money for His Cause." The afternoon session was opened by a praise service led by L. O. Robinson. Mrs. McIntosh, of Connersville, delivered an address on "Work on the Pacific Coast." She made the startling announcement that slavery yet exists; that in every China town in California there is a regular slave market where Chinese girls are sold to the highest bidder and are held as slaves. The reports of the committees on by-laws, resolutions, mottoes and enrollment were read and accepted. There were 115 delegates reported to be present. The commit-tee on nominations which presented the names of the old officers for re-elec-tion was accepted. The officers are: President-Mrs. M. S. Andrus, Indianapo-

Vice President-Mrs. C. Behymer, Irvington. Recording Secretary-Mrs. D. D. Nay, idianapolis Corresponding Secretary-Mrs. A. V. P. Treasurer-Mrs. C. S. Chafee, Laurel. Mrs. G. W. McIntosh was elected as delegate to the national conference. The so-ciety then adjourned to meet in Lawrenceburg one year hence,

## IT MAY MEAN FUSION

ISSUES WITH POPULISTS.

PROHIBITIONISTS TALK OF JOINING

State Central Committee of Prohis Meet-Action to Be Taken After the Campaign.

About twenty members of the Prohibition State central committee and executive committee slipped into the city last night and held a quiet meeting at Hotel English. Chairman McWhirter, of the State central committee, presided. The call of the meeting was announced simply to plan out work to be carried on during the ensuing campaign. It was decided to act very much on the aggressive.

After this matter was arranged, a resolution was adopted favoring the holding of joint meetings with the Populists in the coming campaign. During the speeches preceding the adoption of the resolution, it was shown that the platforms of the two parties were alike on the land and financial questions. The resolution was readily

Dr. Hall, of Franklin, one of the State central committee, said, last night, he thought that yesterday's proceedings of the Populists had a great deal to do with the action of the meeting of the Prohibition committee last night. He said that as the positions of the two parties were very similar on the questions of suffrage and prohibition, he did not doubt but that after this campaign, the two parties would unite. He said that if it was not for the fact that the two parties have two respective tickets in the field for the coming election, he believed that the two would unite on a ticket for the coming election. He said that the Prohibitionists, so far

as he could learn, were highly pleased with the stand the Populists were making on the issues which the Prohibition party had always contended for. He added that the prospects were very flattering for the union of the the two parties into one strong party immediately after the coming election. The Populists, in the excitement of yesterday's convention, have not had much time to consider the matter, but it was intimated, last night, by some, that the matter was not entirely new to the Popu-

The Late Dr. Plymmon S. Hays. Dr. Plymmon Sanford Hayes, aged fortythree years, died at his residence in Kenwood, Chicago, on the 22d. Dr. Hayes was a native of Ohio, but went to Chicago in 1862. He graduated from Rush Medical College in 1872, and was connected with it for five years as professor of chemical physics. He was a professor in the Woman's Medical College and the Chicago College of Pharmacy. At the time of his death he was a professor in the Chicago Polyclinic, a member of the State Medical Society, the American Medical Association, the Chicago Medical Society and the Doctors' Club. He had written exhaustive textbooks on chemistry, and was an authority on electro therapeutics, many of his works having been translated into French and German. He was identified with the religious and charitable work of Chicago. Dr. Hayes married Miss Hattle Hayden, daughter of Mr. and Mrs. John J. Hayden of Indianapolis, who, with three children,

### Memorial Day Parade.

An important meeting of the general Memorial day committee will be held to-night at No. 48 North Delaware street. Complete arrangements will probably be made in regard to the observance of that day. It has already been decided that Gen. Fred Kneffer will be marshal of the procession. which will be composed of Grand Army posts, Sons of Veterans and other military and civic orders. The procession will form at East and Washington streets and will march west on Washington street to Meridian street, north on Meridian street around Monument place, thence south on Meridian street to Washington street, west to Capitol avenue, thence south to the power house of the Citizens' Street-rallway Company, where cars will be taken over the Big Four rail-road for Crown Hill cemetery.

Coxeyites Pass Through. A part of "General" Morrison's aggregation of Coxeyites is in the city, eleven in number. Yesterday about forty Coxevites arrived over the Vandalia direct from Vandalla, Ill., where they had deposed their general and elected John Cronin to that position. Arriving at the Belt railroad the band parted. Most of them went around the city by the Belt railroad, while Cronin and ten men marched into the city to attend the Populist convention. At the head was John T. Garvey, who carried an ancient drum, which he claimed he carried in the last Sloux war. Garvey showed a scar and said that he received it while fighting Indians as a regular member of the Fourth

Cavalry. The band will not tarry long in Fooling with a Revolver. Chris Zimmerman and John Walters, proprietors of saloons on West Washington street, got into a fri n'ily scuffle over a loaded revolver in the former's saloon yesterday morning. Zimmerman had hold of the weapon and Walters was trying to get it away from him, when the revolver was accidentally discharged. Both narrowly escaped being hit, as the bullet passed between them and ploughed a hole in the wall of the saloon.

He Was Not a Captain. Attorneys Hill and Brown, representing opposite factions in a damage suit in the Circuit Court, indulged in a smart verbal set-to yesterday marning. Attorney Brown objected to the counsel prefixing the title of "captain" to his name, and the offender apologized by stating that he regretted degrading the title. Judge Brown stepped in at an opportune time and prevented anything of a violent nature.

General Harrison on Memorial Day. General Harrison will remain at home on Memorial day and will probably assist in the exercises incident to the occasion. On the evening of that day he leaves for Chicago, to be absent a week. An important railroad case in the United States Court will occupy his attention in Chicago the greater part of the week.

Fell Through an Elevator Shaft. Mrs. May Goodwin yesterday filed a three-thousand-dollar damage suit against the Van Camp Packing Company, alleging that she fell through an elevator shaft of the establishment in October, 1893. She claims that the shaft was left open and that she was not warned of the danger.

Iron Unli Sick Benefit. Judge Winters will take up sick benefit claims in Iron Hall this morning. Yesterday the court heard the argument of attorneys Jones and Wishard concerning the

NOW FOR THE BANNER

HOOSIERS FINALLY SECURE A PEN-NANT-WINNING BALL CLUB.

Cross Joins the Team and Pitches and Bats So Well that Indianapolis Defeats Sioux City 14 to 9.

Special to the Indianapolis Journal. SIOUX CITY, Ia., May 24 .- "Old times" Dalrymple bought a box of ginger last night, constant application of which in liberal doses, had a very perceptible effect in the game to-day. The Indianapolis team was given a shaking up all around, the batting list rearranged and Cross put in to pitch. He put up a championship game, fielding and batting well, besides preventing Sioux City from hitting safely. After the first three innings the Hoosiers put up a superb game, both in the field and at the bat, in marked contrast to the two previous games. Sjoux City should have had but three runs to-day, those scored in the fifth, the first six being clear presents on inexcusable errors. The fifth was the only inning in which Sioux City could find the ball, four of its hits being made then.

Leidy was retired from the game in the second inning for talking too much. O'Brien hit a liner which crossed third bag exactly on the line. It was only a single but Leidy threw wild and the ball went into the carriages, O'Brien scoring. Leidy claimed the ball was foul and made so much noise about it that he was sent to the bench. The feature of the game, aside from the visitors' batting, and Cross's work in the visitors batting, and Cross's work in the box, was the fielding of Dalrymple in center. He "pulled down" several two and three-baggers. Mills made a difficult stop of a hot ball just left of second in the fourth inning that brought down the bleachers. The Hoosiers played great ball around today and are liable to make all around to-day and are liable to make it extremely interesting for Kansas City, for which place the club left this evening.

Indianapolis Beat Muncle by a Score

of 43 to 22. MUNCIE, Ind., May 24.-The much ad vertised ball game between the Indianapolis policemen's ball club and a team composed of Muncie's blue coats was played this afternoon at Athletic Park and was much enjoyed by about one thousand people who paid 25 cents admission each. It was not the expectation of any to witness a scientific game and odds of all kinds were offered on the visitors winning the game with no takers. The Muncie law preservers had never played before as a team, and their practice was of short duration. The visiting team, with a carload of "rooters" arrived on the morning train at 8 o'clock. Muncie officers had perfected all arrangements at the New Southern Hotel for their accomodation and with a brass band the conquering heroes were escorted from the depot. A parade of

the principal streets was made Captain Quigley, of the Indianapolis police force, and Superintendent Miller headed the procession. Eugene Harris, Superintendent Powell's clerk, and Sergeant Stout came next, followed by the umpire, Thomas Carter, William Carter and the press representatives. The Indianapolis policemen came next, and then the Muncie "coppers." The next thing in order was a street-car ride, and the visitors were shown some of the largest manufacturing

plants in the city and suburbs. The following came from Indianapolis: Capt. J. F. Quigley, Sergt. T. L. Stout, and patrolmen Joseph Recer, Albert Duty, M. McGuff, Patrick Doherty, W. R. Thorne, E. F. Harris, Sim Hart, A. B. Thompson, Harry Klefer, Fred Lonnis, George Dilts, Alfred Johnson, Thomas Carter, William Carter, Jacob Kurtz, Patrick Curran, L. D. Moody, W. A. Colbert and Annis Burke. The visiting team was composed of the following players: Kiefer, c.; Thorne, p.; Doherty, s. s.; Lonnis, l. f.; Recer, r. f.; Thompson, c. f.; Hart, 1 b.; McGuff, 2 b.; Duty, 3 b.

The Muncie team was: Superintendent Miller, s and p; Turner, 1; Ball, 2 and p; Ellis, c; Stewart, m and p; Cole, r; Seldomridge, p and 2; Galligher, 3; Benbow, r. Umpire Carter called the game at 3:30 The visitors looked execedingly "profesh" in their natty white uniforms. t was the first time they were worn. The Muncie sluggers wore the outfit of the Muncie Baseball Club. It was a very much "misfit" lot of garments. Muncie went first to bat and started off like sure winners with five runs. The visitors got but one run in their half. Keifer got a base on balls, stole second and scored on Recer's hit. Muncle got four in the sec-ond. In the visitors' half they took much enthusiasm out of the Muncie part of the crowd by scoring eight and tieing the score. The runs were scored on bases on balls, errors and a triple hit by Hart, the big colored first baseman. Mun-cie took the lead at her next turn at bat by scoring two. After the visitors had finished their half of the inning Muncie was buried out of sight. The Indianapolis "coppers" made seven hits and twice as many runs. But three men were at bat for Muncie in the fourth, and the visitors kept piling up runs while Muncie was substituting new pitchers, but with little effect, until Stewart came to the box. In the sixth Doherty lined out a home run with the bases filled. Hart executed a double play unassisted, and he put up a fine It was easily discernible that Muncie needs more practice to cope with the Capital City boys in field work, although the home team batted well. Thirty-seven hits

were made, with a total of seventy-seven bases by the two teams. Score by innings: Muncie .....5 4 2 0 2 1 0 8 0-22 19 1 Indianapolis 1 8 14 4 1 13 2 0 \*-43 18 1 Two-base hits-Turner, Ellis, Benbow, McGuff, Duty. Three-base hits—Ball, Ellis, Stewart (2), Thorn (2), Thompson, Hart. Home runs—Ellis and Doherty. Struck out—By Muncie, 3; by Indianapolis, 7. Stolen bases—Muncie, 7; Indianapolis, 3. First base on balls—Off Muncie pitcher, 13; Indianapolis. The visitors all wore the red, white and blue colors, and left for home to-night in

Crawfordsville, 10; Greencastle, 9. Special to the Indianapolis Journal. CRAWFORDSVILLE, Ind., May 24 .- The Greencastle ball club of the Indiana Amateur State League, played the Stars, of this city, here this afternoon on the college grounds. It was a good game and the Stars won by a score of 10 to 9. The runs of both clubs were made in three innings. Batteries—Greencastle, Eitelforg and Callender; Stars, McCune and Wasson.

great glee.

Greensburg, 10-9; North Vernon, 5-5. Special to the Indianapolis Journal. GREENSBURG, Ind., May 24.-Several months ago a strong baseball team was organized at this place, and there have been some first-class playing. Two games were played to-day. Greensburg defeated North Vernon twice-10 to 5 and 9 to 5. Hartford City, 10; Gas City, 5.

Special to the Indianapolis Journal. HARTFORD CITY, Ind., May 24.-The game of ball at the park in this city, today, between Gas City and Hartford City was won by Hartford City by a score of 10 to 5. Batteries-Napper and Barnard; White and Arrick.

THE NEW BLOOD TELLING. Hoosier Additions Looming Up-Balti-

more After First-Baseman Motz. The Indianapolis team begins its final series on the present trip at Kansas City today. The new pitching talent seems to be a decided improvement over the old, and Dalrympie appears to have renewed his 4 | baseball youth, for he was very much in | day.

of cod-liver oil presents a perfect food-palatable. easy of assimilation, and an appetizer; these are everything to those who are losing flesh and strength. The combination of pure cod-liver oil, the greatest of all fat producing foods, with Hypophosphites, provides a remarkable agent for Quick Flesh Building in all ailments that are associated with loss of flesh.

#### Prof. FRITZ AT GRAND HOTEL

Where Hundreds Find Relief From Suffering.

Without Medicine Healing

Lecture and Marvelous Demonstrations Given Daily at Washington Hall, No. 8412 West Washington St., at 2:30 O'clock -Admission Free.

For over two weeks the sick and cripples of this city have been reaping a rich harvest at the hands of Prof. A. D. FRITZ, who is lecturing and healing people of all manner of diseases at Washington Hall every day at 2:30 o'clock, without money and without price. Every conceivable form and condition of isease is treated upon the stage, and the

most miraculcus cures are made. No medicine is given. The Professor simply passes his hands over the diseased parts. Hundreds have already been cured, and nasses of people are crowding to reach An amusing incident happened yesterday. An aged Irishman, who had been cured of paralysis, turned to the audience and said: This gentleman is sure to have a front seat in heaven, for he has cured me after

An old lady, eighty-six years old, Mary Henesy, living on the outskirts of the city, had been deaf and crippled for over twenty years, was cured and walked away with her crutches over her shoulders, calling down the blessings of heaven on this won-derful man. Mrs. Mary Gibbons, who had suffered with rheumatism, lame arms and limbs for

upwards of nine years, was cured in less

han five minutes.

I have had fifteen doctors and spent all

Mrs. Emma Baben had a tumor removed from her neck. Cases of deafness, blindness, neuralgia, asthma and dyspepsia were These cures are facts-cold, solid factsdone in public and in the most open man-ner. The hall is open daily from 2:50 to 4 p. m., and hundreds of people have and can see these cures performed, and they are permanent, lasting cures.
PROF. FRITZ has parlors at the Grand

Hotel, where those people who are able and willing to pay for consultation and treatment may see him from 10 a. m. to Nervous

Are you, can't sleep, can't eat, tired, thirsty? Blood poor? It's a tonic you want-

Hires' Rootbeer. This sparkling, exhilarating, and refreshing drink, while being far more

agreeable in bouquet and flavor than

the finest wine or champagne, is at the same time unlike them, being free A temperance drink for temperance people, delicious and wholesome as well. Purifies the blood, tickles the palate. Package makes five gallons. Ask your storekeeper for it.

Take no substitutes. Send 2-cent stamp to Chas. E. Hires Co., Philadelphia, for beautiful pic-

CINCINNATI, HAMILTON & INDIAN-APOLIS R. R. CO., OFFICE OF SEC-RETARY, May 22, 1894. NOTICE TO STOCKHOLDERS - The stockholders of this company are hereby otified that the annual meeting will be held at the office of the company, at Hamilton, O., on Thursday, June 14, at 11 o'clock a. m., for the election of directors to serve the ensuing year and for the transaction of any other business that may come before the meeting GEO. R. BALCH, Secretary.

> STEEL-RIBBON LAWN FENCE. PRICES REDUCED.

Mississippi street.

resterday's game. It is hardly safe yet to say that the turning point in the club's downward career has been reached, but there are indications to that effect. Baltimore is evincing too much interest in Motz, and has, in fact, put in a claim for him, which, it is believed by the man-agement, can be headed off. Indianapolis has secured a trio of good players in the Cincinnati men, and doesn't want Baitimore or any other League club breaking in on the arrangement which promises to be the salvation of the team. Louisville made much the same sort of a "bluff" for Werden, but he keeps right on playing

with Minneapolis. Milwaukee demonstrated its improved form by easily defeating Toledo yesterday. Cushman has not been idle the past few weeks, but has taken on new players enough to make his club a formidable element in the fight from now on. Mil-waukee will be here next Wednesday (Decoration day), morning and afternoon.

Drug Clerks to Play Ball. The North-side Drug Clerks' baseball team will play the South-side Drng Cierks' team at Brighton Beach this afternoon Game will be called at 2 o'clock.

Bell Boys and Waiters. The Denison House bell boys defeated the waiters by a score of 21 to 7, yester-
